Can the heat between them melt the wall of ice he's built around his heart?

A shocking demand...

With no warning, Claire Winsome's ex has come crashing back into her life. The man who broke her heart is now a billionaire—with the power to ruin her completely.

And that's exactly what he threatens to do, unless she gives herself to him for six weeks. Claire doesn't understand why. She only knows Simeon is cold, merciless...and so irresistible she can hardly breathe when he's near.

A painful betrayal...

Simeon Hayes was once a nobody, getting by on toughness and street smarts...and Claire was the sweet, rich, curvy college girl who made him believe anything was possible.

When he discovered her deception, it almost destroyed him. Nine years later, his money, power, and ruthlessness have the world at his fingertips.

And it's time to balance the scales.

A chilling plan...

Six weeks is nothing compared to the years of suffering she's put him through, but Simeon intends to get Claire—and her sinful body—out of his system once and for all. All he needs is enough time to carry out a thorough, completely unemotional plundering of her ample gifts.

At least that's what he keeps telling himself...

Can Claire uncover the truth behind Simeon's behavior? And if she does, will it be too late to salvage what might have been?
