CliffsNotes on Collins' The Hunger Games Janelle Blasdel

CliffsNotes on Collins' *The Hunger Games* analyzes the wildly popular first novel in *The Hunger Games* trilogy, in which the Capitol forces each of Panem's 12 districts to choose two teenagers to participate in the Hunger Games, a gruesome, televised fight to the death. In the 12th district, Katniss Everdeen steps in for her little sister and enters the Games, where she is torn between her feelings for her hunting partner, Gale Hawthorne, and the district's other tribute, Peeta Mellark, even as she fights to stay alive. The Hunger Games will change Katniss' life forever, but her acts of humanity and defiance might just change the Games, too.
