Colour By Number Maths Clarity Media

Welcome to this fantastic collection of 50 colour by number maths puzzles! The rules are simple; you must colour each cell that is a multiple of the number given in the star. These puzzles are great for those wanting to advance their multiplication skills, or even adults looking for some relaxing and calming colouring!

A handy introduction page, featured inside, will help to explain the instructions in more detail. A multiplication chart is also included.

Solutions showing what the finished image should look like are towards the back of the book, so if in any doubt, take a peek there.

All puzzles are printed on very high quality paper, meaning these pages can take plenty of colours!
