Consumer-Driven Health Care: Implications for Providers, Payers, and Policy-Makers

Regina E. Herzlinger

Consumer-Driven Health Care: Implications for Providers, Payers, and Policy-Makers Regina E. Herzlinger

Professor Herzlinger documents how the consumer-driven health care movement is being implemented and its impact on insurers, providers, new intermediaries, and governments. With additional contributions by health care's leading strategists, innovators, regulators and scholars, "Consumer-Driven Health Care" presents a compelling vision of a health care system built to satisfy the people it serves.

This comprehensive resource includes the most important thinking on the topic and compelling case studies of consumer-driven health care (CDHC) in action, here and abroad, including new consumer-driven intermediaries for information and support; types of insurance plans; focused factories for delivering health care; personalized drugs and devices; and government roles.
