Diagnosis and Management of Pituitary Disorders (Contemporary Endocrinology)

Diagnosis and Management of Pituitary Disorders (Contemporary Endocrinology)

This text is a review of current management techniques for pituitary tumors, incorporating recent advances and discussions by experienced clinicians. The use of both endocrinologists and neurosurgeons as chapter authors allows differing perspectives to be incorporated. The book is organized around individual tumor types, with additional chapter topics added for those subjects requiring special emphasis. Appropriate photographs and illustrations are incorporated as warranted.
