*I looked at Ms. Denholm. Her face had turned milk-white. Is there a note in there? she said. I looked into the box again. It contained a dozen red roses. Nestled among them was a baby doll, splattered with what looked like blood but was probably red paint. Its head was missing.*

Robyn's new substitute teacher Ms. Denholm is cool, pretty, and possibly the target of a stalker. When Denholm receives a threatening package, Robyn wonders who's responsible. But Robyn has a mystery of her own to worry about. What's with the muddled phone message she receives from her missing ex-boyfriend Nick? Should she try to forget him--or is the call a sign he still cares?
