Book 2 in the Wicked Affairs series.

Randall VanLandingham married the first time for duty. This time he wants much more. Everyone knows his new wife has a past, but he's the one man powerful enough to stay the gossip while enjoying the fruits of her scandalous reputation. Anne is everything he wants in a woman—insatiable and interesting—but he's growing damn tired of fending off every man who lusts after his duchess. How does one protect the honor of a woman who has none? How does one win the love of a woman who has shared her love with many?

Pragmatic Anne Porter, a Welsh coal miner's daughter, learned how to use her beauty and sexuality to lift herself from poverty, and her plan was working perfectly. Until she married the handsome and much younger Duke of Pelham...

Until she fell in love...
