Dante's Modern Afterlife: Reception and Response from Blake to Heaney

Dante's Modern Afterlife: Reception and Response from Blake to Heaney

Dante's persistent and pervasive presence has been a remarkable feature of modern writing since the late eighteenth century. This collection of essays by an international group of scholars emphasizes that presence in the work of major British and Irish writers (such as Blake, Shelley, Joyce and Heaney). It also focuses on responses in America, the Caribbean and Italy and deals with appropriations of Dante's work by poets (from Gray to Walcott) and novelists (such as Mary Shelley and Giorgio Bassani, and Gloria Naylor).
