## **Jazz Composition and Orchestration** William Russo

"Russo has undertaken an ambitious project, attempting to discuss together the elements of music that are commonly treated separately in books on harmony, counterpoint, and orchestration. As such, his new book contains enough musical instruction to be of interest even to students not particularly interested in 'jazz' or Russo's own musical idiom. For the student who wants to compose or arrange for 'jazz' ensembles from dance bands to full orchestras, Russo has shown himself to be a generous source of good advice."--Jon Newsom, *Notes*
