Over My Dead Body Jim Briginshaw

Winner, 2008 IP Picks Best Fiction Award. Marked by the events of the Great Flood of 1893 and the formation of the first miners' unions, *Over My Dead Body* is an Australian epic; a literary feat exemplifying a writer's craftsmanship and dedication to bringing history alive. The book puts Australia's current resource-driven prosperity into context by showing the day to day struggles of ordinary workers just trying to get by. With panoramic themes reminiscent of Lawrence's *Sons and Lovers*, this thoroughly researched, award-winning retrospective will certainly remind its readers of the important place unions have earned in today's society.
