Sunshine

Sunshine

In this award-winning wordless picture book, young ones follow a little girl as she goes throughout her day. Charming illustrations show the first rays of morning light shining into the little girl's bedroom, waking her up. She goes about her morning routine and watches as her parents do the same. She eats cereal, climbs in bed with mom and dad as they read the paper and drink coffee, brushes her teeth, gets dressed, and goes out the door ready for school. Children enjoy providing their own commentary and comparing their personal routines to hers.
