**The One-Stop Bible Atlas (One-Stop series) Nick Page**

**A truly innovative Bible Atlas that will help readers visualize the journeys, events, and locations of the Bible and will bring the Good Book to life in an entirely new way**

This informative atlas is a highly inventive, user-friendly book, with lively and entertaining commentary, and peppered with little-known facts about the Bible. Nick Page applies the features of contemporary mapping styles to journeys and locations: following Paul's journeys on a Roman Road map complete with distance chart; linking Biblical sites to the panorama of Jerusalem today with 3D relief mapping; and locating the latest archaeological and historical research findings, Google Earth-style.
