Agent Imogen Feaveryear finds herself investigating a mysterious panic overcoming a mill in the countryside of Manchester, England. The unassuming mystery, dismissed by other agents of the Ministry, leads her to India, the approval of Doctor Sound on granting the young agent the latest in R&D technology. This case only twists and turns harder as Imogen confronts an enigmatic intruder, obviously aware of her clandestine work.

Traveling alone through the mystery and intrigue of India, Agent Imogen Feaveryear follows the clues from Manchester, England to unearth a grand conspiracy against the Empire. Feaveryear, armed only with facts and the basic of armaments from R&D technology, dares to discover the true cause behind the dark magic haunting England's industrial progress.

Tales from the Archives are short stories set in the world of the Ministry of Peculiar Occurrences. They explore events mentioned in the novels, characters seen and unseen, and may include novel teasers of things to come.
