**Obsessed With Him (Obsessed With Him, Book One)** Hannah Ford

Introducing Obsessed With Him, the dark and sexy new adult romance series from Hannah Ford...

Some promises are meant to be broken...

Twenty-year-old Olivia Reilly has promised herself to one man and one man only – her best friend and soulmate, Declan Keene. And she's kept that promise, through countless foster homes and moves across state. She's never even kissed a boy – all because of a vow she made to Declan years ago. There's only one problem. She doesn't know where Declan is.

Enter Colt Cannon. When Olivia starts working for the sexy and dangerous bad boy, she asks him to help her find Declan. Surely someone with Colt's money and power will be able to track him down. Colt agrees, but he also demands something of Olivia in return. Something dark, sexual, and dangerous that will test her will and push her self-control to its limits.

But as Olivia's about to find out, sometimes the pleasure is worth the pain. And some promises are just begging to be broken...

EXCERPT:

I took a step toward him, and his eyes blazed as he reached out and put his hands on my hips, guiding me. "That's it."

The bottom of my shirt rose up just a tiny bit and his thumb grazed against my bare skin. A searing heat pulsed through my body, almost in time to the music. I went to pull away, but Colt's hands held me firmly in place.

"Take off your shirt," he commanded, his voice still low and sexy.

I reached up, mesmerized, and did as I was told. I would have expected my hands to be shaking, that I would be nervous about taking my clothes off in front of this gorgeous stranger. But it was the opposite. His gaze was like an anchor, keeping me grounded, holding me in place, right there in the moment.

One button.

Two.

Three.

I felt the cool air on my bare skin as the top of my bra became exposed.

When my shirt was completely open, Colt's hands moved from my hips up the sides of my body, stopping just below the band of my bra, right under my breasts. His touch was setting me on fire and an ache I'd never felt before rolled up inside of me.

His hands moved slowly up my back, then hooked around my shoulders. He pulled me to him, his grip strong. I leaned forward, meeting him, not even caring that my shirt was completely open, that I was exposed to him, more exposed than I'd ever been to any person in my life.

And even though I'd only just met him, my instinct was to let him in, to give myself to him and do whatever he asked. My nipples tightened and my pulse quickened as his mouth moved toward mine. Colt's eyes were still locked on mine, and I felt like I was falling into them.

His intent was clear. He was going to kiss me, and maybe more, right here, in this room, on this chair...
