Singlism An Intelligent Answer to the Singularity that Is Mr Leonard R. Goodwin II

This may be one of the most important books written in the last thousand years. Our world is deteriorating right before our eyes. Our environment is tainted. Species are dying out faster than in any other time in history. Children are born toxic. The world is running out of fresh water. The oceans are polluted and fish stocks are plummeting. Is there any hope for us at all? Can we save the human race? This text offers answers to many of the problems facing the world today. Will the people of the world listen or will the human race perish in a fiery hell of it's own making? We can only wait and see. LRGII
