The Ultimate Guide for the Best Skin Ever: Lasers M. Lee

The Ultimate Guide for the Best Skin Ever: Lasers With laser centers popping up on every corner like Starbucks, and with more than 20 laser companies pushing hundreds of different lasers and procedures, how does a 21st century consumer know how to get the best for their money? By reading this book. World renowned pioneer and leading authority on laser cosmetic surgery, Dr. Lee will share her priceless insight on the laser industry and help you become a smart consumer as you try to decide which laser procedure to invest in. This is a true insider's look at the nitty gritty of a multi-billion dollar industry. These are the things that other doctors would never tell you and don't want you to know! Dr. Lee will help guide you through the in's and out's of an industry that thrives off of consumer naiveté and gullibility to marketing and hype. A well-done laser procedure performed by a top-notch laser surgeon could cost thousands of dollars but could be the best investment you ever made...if you choose the right doctor and the right laser. The wrong decision could cost you lots of money...and worse yet, result in permanent irreversible damage. You cannot consider yourself an avant-garde consumer of beauty without the knowledge contained in this book. Going for a laser procedure without first reading this book would be like trying to master a language without learning the alphabet first, or finding a new city without a roadmap, or making a gourmet meal without a recipe.
