Wonderland Catalina Harper

We're all Mad Here. The words immortalized on the door of Chris Jensen's nightclub, Wonderland, have been a beacon for other eccentric souls in Chicago's urban landscape. Chris might have been alone but he hadn't realized he was lonely until he finds a bartender who makes him want more than good music and great Scotch. Alison Liddell walks into his life brandishing a rapier wit and a take-no-lip attitude, but trusting the attraction that sizzles between them will take more than his gut instincts to come into fruition.

Alison has wanted Chris since the day she started working at Wonderland. However, the beautiful man is nearly as stubborn as she is and keeps her at arms' length. A night of drinking leads to a kiss that neither of them are prepared to deny, however, walking into a relationship is unfamiliar territory for the both of them and only time will tell if they will be able to see how deep the rabbit hole goes.
