When happy-ever-after is only the beginning...

Lara Cartwright thinks she has it all. Married to a sexy rock star, with a new baby and a burgeoning career, she should be happy, shouldn't she? But life isn't a fairy tale and Lara's perfect world is slowly falling apart.

Alex Cartwright is talented, tattooed and passionate. A family man, he adores his wife and baby, but can't shake off his need for success. When his band is offered a lucrative tour of the US, the distance growing between him and Lara isn't only measured in miles. As their baby falls seriously ill, Lara finds herself wondering if Alex really cares for them at all.

Emotional and absorbing, Broken Chords is a story of desire, redemption and the crazy notion that love can still conquer all.

Author Note: Broken Chords is the second story in the Love in London series but can be read completely as a stand-alone.
