Special Operations Forces Medical Handbook, 2nd Edition

Special Operations Forces Medical Handbook, 2nd Edition

A comprehensive reference designed for Special Operations Forces (SOF) medics. Developed as a primary medical information resource and field guide for the Special Operations Command (SOCOM) medics, the Special Operations Forces Medical Handbook defines the standard of health care delivery under adverse and general field conditions. It is organized according to symptoms, organ systems, specialty areas, operational environments and procedures. It emphasizes acute care in all its forms (gynecology, general medicine, dentistry, poisonings, infestations, parasitic infections, acute infections, hyper and hypothermia, high altitude, aerospace, and dive medicine, and much, much more) as well as veterinary medicine and sanitation practice under primitive conditions. It is the work of over 130 contributors and 57 reviewers from both the military and civilian practice. Topics are covered in a consistent subjective/objective/assessment/plan (SOAP) format. It is heavily illustrated with color for quick identification of dermatologic conditions, insect bites and stings and exposure problems. The second edition contains updated and expanded material from the 2001 release, including Pediatrics, Nursing, and ENT Problems.

Printed on tear-resistant, water-resistant synthetic paper. A 5.25 inch by 8.5 inch quick-reference guide with a three hole punched ring binding. It includes 193 figures (37 in color) and 38 quick reference tables.

From reader reviews:

Cleveland Bolton:

Information is provisions for those to get better life, information today can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider when those information which is within the former life are challenging to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Special Operations Forces Medical Handbook, 2nd Edition as the daily resource information.

William Carroll:

The reason why? Because this Special Operations Forces Medical Handbook, 2nd Edition is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.

Lionel Gutierrez:

Do you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't determine book by its deal with may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer can be Special Operations Forces Medical Handbook, 2nd Edition why because the excellent cover that make you consider with regards to the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading 6th sense will directly direct you to pick up this book.

Maria Forshee:

Book is one of source of expertise. We can add our know-how from it. Not only for students and also native or citizen need book to know the update information of year in order to year. As we know those guides have many advantages. Beside we add our knowledge, may also bring us to around the world. With the book Special Operations Forces Medical Handbook, 2nd Edition we can consider more advantage. Don't someone to be creative people? For being creative person must prefer to read a book. Just simply choose the best book that ideal with your aim. Don't end up being doubt to change your life with that book Special Operations Forces Medical Handbook, 2nd Edition. You can more inviting than now.
