Because stepbrothers Birch and Trent just couldn't keep their hands off each other's hard, taboo flesh to begin with, they now find themselves forced to deal with a scenario that has just two possible outcomes...

Life. Or death.

Only now, their uncontested lust for each other might just be the one way out as they scramble to slip through an escape hole so tightly guarded by a murderous mobster on one side, and time behind bars on the other.

Will the one thing that never should have happened between the two stepbrothers to begin with ultimately prove to be the only way out of this deadly mess?

Book Five contains adult themes, harsh language, and graphic sexual content
