**Red House:** Derek didn't ask for this. It's bad enough that his brother's body is hosting a dead soul. Then there's that whole business of the evil dead waging war. And don't even get him started on all the weird voices rattling around inside his head. But like it or not, the war is on. The Legion is back in full force, and they're heading for the mysterious, long-abandoned Red House. It holds a secret that could change everything. Derek doesn't know what they're after -- but he knows he has to find it first--**From the publisher.** **The Ghost Road:** Derek can't claim to be a normal fourteen-year-old anymore. Not after what he discovered at the Red House. His role in the war against the dead is more pivotal --- and more terrifying -- - than he could have imagined. And so it all comes down to this. The Rift between the worlds of the living and the dead has to be closed . . . forever. It seems like an impossible task. And it rests squarely on the shoulders of a slightly overweight, not especially brave kid named Derek Stone. If Derek is ever going to become a hero, now's the time--**From the publisher.**
