The Instant Voyeur: A Titillating Peek at Sex and Love (Volume 2) Tanya Slover

The Instant Voyeur: A Titillating Peek at Sex and Love is a trivia book with a sense of humor. It will entertain, amuse and perhaps even shock you with its uncensored glimpses of the human heart and libido and all the trouble they have gotten us into over the centuries. The book uses a Q&A format and cleverly edited clip art to tell its tales of romance, scandal and sexual misconduct. While The Instant Voyeur offers up many provocative tidbits about the worst and best of human behavior, it is never lurid. It is simply an entertaining account of the two most enduring subjects on earth - love and sex.

The Instant Voyeur is the second book in the Instant Trilogy. The first is The Instant Genius: An Indispensable Handbook for Know-It-Alls (Second Edition) and the third is The Instant Celebrity: Their 15 Minutes of Fame, Notoriety or Whatever.
