Tell Me Lies

Jennifer Cruise dishes up a funny, sexy, suspenseful novel about small-town secrets, big-time betrayals and the redemptive power of love, laughter and chocolate brownies.

Crazy For You

Quinn McKenzie is dating the world's nicest guy, she has a good job, she's surrounded by family and friends, and she's bored to the point of insanity. But when Quinn decides to change her life by adopting a stray dog, everything begins to spiral out of control. Now she's coping with dognapping, breaking and entering, seduction, sabotage, stalking, more secrets than she really wants to know, and two men who are suddenly crazy . . . for her.

Welcome To Temptation

Sophie Dempsey is content living a quiet life filming wedding videos until an assignment brings her to Temptation, Ohio. Sophie is from the wrong side of the tracks and everything in Temptation is a little too right. And when she has a run-in with the town's unnervingly sexy mayor, Phineas Tucker, making a little movie turns out to be more than a little dangerous.

Fast Women

When down-on-her-luck divorcée Nell Dysart meets determined-to-dominate detective Gabe McKenna they find out that falling in love can be murder...

Faking It

Tilda has a history of forgery she's trying to forget. Davy has a knack for scamming he's trying to resist. But one fateful night, their good intentions go bad. And what they get up to is downright immoral, illegal, and irresistible.

Bet Me

It's such a shock when Minerva Dobbs' extremely logical choice for a boyfriend, David, dumps her three weeks before her perfect sister's wedding. So when Min overhears David make a bet with his old nemesis—the gorgeous and successful Calvin Morrissey—that Cal can't get Min into bed in a month, she decides that fate has just handed her a stacked deck: she can make Cal sweat his sex appeal and get a date to

the wedding, if she plays along and doesn't fold...

Maybe This Time

Andie Miller is ready to move on with her life. She wants to marry her fiancé and leave behind everything in her past, especially her ex-husband, North Archer. But North asks one last favor: Since the death of a distant cousin, he's become the guardian of two orphans who have already driven away three nannies. North needs someone to take care of the situation—and he knows Andie can handle anything. As Andie copes with the ghosts of her past and present, she begins to see that what she wants is the same thing that everyone in the house wants—a second chance—and that maybe this time she'll get it.
