Adam Hassler, former Delta Force officer, leads the first expedition out of David Pilcher's mountain superstructure. *His mission is simple.* Guide and protect a team of surveyors and scientists, while they study the landscape and collect data for the reconstruction of Wayward Pines.

A few hours into the trek, Hassler suspects that the operation has been compromised--**by the very people that ordered it.**

With daylight fading, Hassler's team faces an unknown threat, on unfamiliar ground--in front of an impatient audience.

First Contact is *Part One of The Genesis Series*, a planned trilogy of novellas set in the early days of Blake Crouch's Wayward Pines.

Last Betrayal, Part Two, is now available.
