Breaking up is hard to do. We've all had those moments when a relationship has ended. The tears come running. We feel depressed. We grieve. We get stuck in the memories of the past. We feel anger. We are hurt and scorned.

This is a collection of poems where I have tried to capture the picture of these emotions and bring them alive. Emotions of the dark heart when we face the death of relationships. Every one of us has experienced the pain and sorrow of losing someone we loved.
