2014 Edition IEEE-USA Consultants Fee Survey Report

Invitations to the Web-based 2014 Consultants Survey were e-mailed in the spring of 2014, to 9,444 IEEE members. To create the sample, all records of higher-grade, non-Student Members -- Associate Members, Members, Senior Members, and Fellows—who consent to receive e-mail communications from IEEE, who indicated that their typical job function, responsibility, or title was consulting, were drawn from the member database. All findings in this report represent only those who were identified as self-employed consultants; individuals who indicated that 50% or more of their consulting hours came from working independently, with partners, or incorporated (herein referred to as “consultants”).
