Get this Kindle for free through Kindle Matchbook when you purchase the paperback from Amazon.

Adventures of Huckleberry Finn tells of Huck Finn's unlikely comradery with a slave named Jim. The boy is running from an abusive father, the man is running to freedom, and at first the Mississippi River seems a sure path to deliverance for the both of them. But, ready or not, the river brings them steamboats and slavecatchers, predatory con men, feuding families of the Old South, treasure, and very few friends. Huck comes to realize that civilization might be even harder to navigate than the Great River itself.

"All modern American literature comes from one book by Mark Twain called *Huckleberry Finn*." ~ Ernest Hemingway

This Canon Classic is one of the best adventure stories ever written -- full of humor, intrigue, and action -- and a blisteringly satirical social commentary at the same time. The Canon Classics series presents the most definitive works of Western literature in a colorful, well-crafted, and affordable way. Unlike many other thrift editions, our classics are printed on thicker text stock, are bound with distinctive felt covers, and feature individualized designs that prioritize readability by means of proper margins, leading, characters per line, font, trim size, etc. Each book's materials and layout combine to make the classics a simple and striking addition to classrooms and homes, ideal for introducing the best of literary culture and human experience to the next generation.
