Bud Sagendorf

Popeye: The Great Comic Book Tales by Bud Sagendorf Bud Sagendorf

- There are three genius incarnations of *Popeye* — the comic strip by E.C. Segar, the animations by Max Fleischer, and unknown to many, the brilliant 1940s and 50s comic book stories by Bud Sangendorf! Comics historian Craig Yoe collects and beautifully packages the best of the best of Sangendorf's thrilling and roll-on-the-floor laughing tales. See the Sea Hag, Bluto, and, of course, Olive Oyl, Wimpy, and Sweepea join Popeye in exciting adventures and brilliant comic book stories.
- As with the entire line of Yoe Books, the reproduction techniques employed strive to preserve the look and feel of expensive vintage comics. Painstakingly remastered, enjoy the closest possible recreation of reading these comics when first released.
