#### **Jane Mansour:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Edward I (the English Monarchs Series) can make you sense more interested to read.
