A tentative peace between Israel and Palestine has been brokered by the United States. But the Taskforce—a clandestine team operating outside of US law to protect the country from terrorism—hears of an assassination attempt on the American envoy sent to solidify the treaty. The Taskforce must devote every resource to saving his life—and preventing another bloody outbreak of violence.

Taskforce operator Pike Logan and his partner, Jennifer Cahill, must hunt down the assassin through the Middle East, following a trail that becomes more perilous at every turn. And they must deal with terrorist organizations, independent killers, and shaky allies to uncover the biggest threat of all: an American citizen hiding a secret that just may destroy everything, including the Taskforce.
