## **Hannibal Rising (Chinese Edition)** Thomas Harris

In the dark areas of Dr. Hannibal Lecter's central brain, there is a door leading to the memory hall. You can find the door latch by groping a little. This strange door leads to sections of open and bright zones. Let us search the latch in this scorching darkness of his brain. If we find it, we can select the music in the promenade and we can go all the way forward to find that lobby of residual broken memory ... After some efforts, we may be able to witness how his inner beast come out from the chest and go upstream to break into this world.
