Inclusive Early Childhood Education: Merging Positive Behavioral Supports, Activity-Based Intervention, and Developmentally Appropriate Practice David Dean Richey, John J. Wheeler

Inclusive Early Childhood Education presents the theory and practice in educating young children in inclusive educational settings. You'll get complete discussion of the most effective practices in positive behavioral support, activities-based intervention, and developmentally appropriate practice for educating all children in inclusive settings. The text emphasizes merging early childhood and early childhood special education disciplines. Written for undergraduate and graduate education students, this text bridges the gap between introductory/survey courses and assessment/methods classes.
