Painting Boats and Coastal Scenery Robert Brindley

Celebrating the boats and coastal scenery that have long inspired artists, this book explains many aspects of painting the coast, from creeks and tidal rivers to bustling beach scenes, boats, and harbors—all with a strong emphasis on capturing light, mood, and atmosphere. Using watercolor, oil, and pastel, it looks in detail at the painting process and encourages both novice and experienced artists alike to venture forth to capture the drama and beauty of the coast and sea. Select topics covered in the guide include step-by-step demonstrations; exploring the importance of light and how to create harmony, tone, and color; emphasizing drawing, sketching, and plein-air painting; and instruction on painting water and skies, as well as coastal scenes.
