Redemption Road: Jackson Falls Book 5 (Jackson Falls Series) (Volume 5) Laurie Breton A decade ago, she walked away from everyone and everything that had ever mattered to her. Now, she has to face her past to find her future.

Whenever Colleen Bradley Berkowitz had imagined her homecoming--which hadn't been often--she'd imagined sweeping into town on a wave of triumph. Never had she pictured herself limping in with empty dreams and emptier pockets, behind the wheel of a car that should have long since met its destiny in the crusher. Forced to depend on the goodwill of the sister who's a virtual stranger to her, Colleen has just two goals: to avoid all family entanglements, and to escape from Jackson Falls the minute she has enough money socked away.

But life is what happens while we're making other plans. Her sister is determined to rebuild their precarious relationship. Attractive single dad Harley Atkins and his twelve-year-old daughter, Annabel, start worming their way into her heart. And when the son she left behind shows up at her door, the stakes are raised, forcing Colleen to reevaluate all those bridges she burned years ago.

REDEMPTION ROAD is a heartwarming story about love, about sisterhood, and about second chances.
