The Science, Philosophy and Spirituality of Our Evolving Planet: Part 1 of 2 Carter Phipps

In this interview (part 1 of 2), Carter Phipps expands on "evolutionaries," related to the three main cultural stages of human development, and why it is important to understand the trajectory we've been on as a species. He gives a framework for exploration of the strata of the evolution of human consciousness, with the important understanding that we don't have all the answers yet. The discussion explores evolutionary theology, and what is meant by the evolution of God.

Carter Phipps is an author, journalist and leading voice in an emerging field of evolutionary spirituality. He serves as a former executive editor of *Enlightened Next Magazine* and has been at the forefront of contemporary spiritual, philosophical and cultural discourse. His writings have played a key role in making important new thinking accessible to a wider audience. He's the author of *Evolutionaries, Unlocking the Spiritual and Cultural Potential of Sciences Greatest Idea* (Harper Perennial 2012).

This is part 1 of 2 of this interview. Part 2 is also available on Audible.com.
