He'd waited for this day--this woman--for forever it seemed. Harry Ballantine had been a prisoner of Fernhaven forest and now he found the key to his salvation in Jenna Dante. But would she surrender to him before she left the hidden hamlet?

With an angry ex on her tail and rain pouring, the last thing Jenna Dante needed was car trouble and a cranky child. Her only option was to seek refuge in the desolate hotel on the hill in Fernhaven. But the restored walls seemed to hold more than memories. For Jenna they vibrated with life and an all-male seduction she could only see and feel in her mind. But when danger came to call, she would need flesh-and-blood protection--and maybe something more lethal...like transcending love.
