Learn how debt collection laws can help you protect your rights so you can resolve your debts!

The number of people dealing with collection accounts is staggering: an estimated 30 million Americans have at least one debt in collections. If you are one of them, you are no doubt frustrated and perhaps even frightened to have these bills hanging over your head.

Debt Collection Answers was written by two consumer advocates who want to help you avoid costly mistakes. The authors have answered over 1300 debt collection questions from consumers over the past five years and they understand what many people dealing with bill collectors are up against.

You'll learn:

- How debt collectors who harass you at work or on your cell phone may be breaking the law, and how to fight back;
- How to get free legal help - and why the debt collector will have to pay you if they break the law;
- What collectors can and cannot say to relatives, employers and other people about your debt;
- 7 tip-offs that you are talking to a scammer and not a real debt collector;
- The best and worst ways to pay a debt collector;
- Why paying a collection account won't usually improve your credit (and what will);

Don't let debt collection accounts ruin your life any longer. Get Debt Collection Answers: How to Use Debt Collection Laws to Protect Your Rights and take control.
