## **Ready for a high-octane Wasteland adventure?**

## **Good. This is just the beginning.**

One hundred years ago, a nuclear war decimated Earth, leaving rugged Wastelands wrought with malicious gangs and survivors desperately struggling to form new societies.

Among them, Vincent Fenix has made his temporary home in Avalon Wharf, working as a gun runner, smuggler and violence enthusiast, minding his own business.

But, when a Wasteland warlord hires a gang of ruthless cannibals to hunt down his lifelong friend, things get personal.

With fists, guns, and blades, he embarks on a path of vengeance. In true Fenix fashion, he vows to tear his city apart in search of the cannibals and when he finds them, he's going to make them pay.

However, there is the answer to a nagging question which he ultimately seeks. Who hired them?

This is the origin of The Vincent Fenix Chronicles, and if you're a fan of fast paced stories thick with brutal, gruesome action then you don't want to miss this.

## What readers are saying about The Vincent Fenix Chronicles

“I finished the book late last night. The [Vincent Fenix Chronicles] is sweet. The fight scenes were totally satisfying. I definitely want more. This is the start of something cool, for sure.”

- Randy T

“I liked all of it. The way you wanted to find out more but next chapter went to another scenario etc. The story is really good and obviously you can describe the fight scenes technically well. I also like the fact that Vincent gets his ass beat too instead of just walking through everyone. He's obviously a badass but there would be badder out there on the wastelands for sure. Great series!”

- Leon W.

“Just finished the book. My heart is still pounding from that ruthless ending. This series is BADASS! The story is captivating, the characters are memorable, and the fight scenes are insanely vivid and well done. You can practically hear every bone crunching impact. Vincent is out for blood and man does he find it. I can't wait to read more.

If you want an adventure, and like and bone jarring combat, this is a series you must read.”

-Ben K.

“Finally finished it! Read it every chance I got. Honestly, f\*\*king awesome. I'm actually gonna read it again. Your characters are amazing. Love the detail and of course the action sequences.

This novel is an excellent rendition of a post-apocalyptic scene, telling the action-packed story of Vincent Fenix who is hell-bent on vengeance for the brutal murder of his closest friend. The story's environment and scenes are so detailed, you feel like you are watching an action-film which allows you as the reader to live within the war-torn universe, getting you drawn in Fenix's lifestyle and moral philosophy.

There is never a dull moment in this series and the character development is phenomenal. You can literally picture every scene told.”

- Wes D.

“The ending of The Death Division (Book 1) had me sitting in the corner of my living room, hugging my knees and rocking back and forth. This was some heavy sh\*t.”

- Brian O.

“The Vincent Fenix Chronicles is full of action, some of which had me hiding my eyes. I'm kind of a girl when it comes to gruesomeness, but the entertaining story kept my eyes glued to the page and I was always wondering what would happen next. Is this my typical book? Not normally, but it is now and THAT is a compliment to Jeff's writing style. I am eagerly awaiting the next installment!”

- Heather H.
