Kitchi-Gami: Wanderings Round Lake Superior. J. G. Kohl

In bringing before the English reader a new work by Mr. J. G. Kohl, the eminent German traveller, I find it necessary to preface it with a few remarks explanatory of the causes which led to it being written. During a somewhat lengthened residence in America Mr. Kohl was commissioned by the United States government to prepare some valuable national works on the history and geography of America, principally referring to its recent discoveries. Circumstances, however, led to the suspension of the engagement, and the promised volume has not yet appeared. A large proportion of the manuscript is, however, ready, and has been submitted to eminent literary men in America; and Mr. Palfrey, the distinguished historian, has expressed a very favourable opinion of it in the preface to his History of New England.
(Typographical errors above are due to OCR software and don't occur in the book.)
