Listening for a God Who Whispers: A Woman's Discovery of Quiet Understanding Peggy Benson

LISTENING FOR A GOD WHO WHISPERS: A Woman's Discovery of Quiet Understanding by Peggy Benson In her first published book, Peggy Benson has written a warm, personal reflection on her own spiritual journey. It is the story of a life lived within the constant joys and struggles, as well as the competing opportunities and demands, that face any woman who would seek to balance home, family, church, and work in our time. Writing from her perspective as a mother of five, wife of a busy publishing executive, faithful church member, and speaker in her own right, Peggy invites the reader to participate in the rediscovery in reaffirmation of her spiritual journey. The depth and simplicity of her faith give her words both insight and authority as she speaks of the life of the family and the family of God. And her keen sense of humor and tender heart will move you both laughter and tears in celebration of your life and faith. It is a story that speaks in clear, simple terms about the need for women to thoughtfully, intentionally, and faithfully develop their own spirituality. It is the story that speaks to women of all ages, married or single, who would listen for a God who whispers in the midst of their busy lives.
