Frederick Cagle:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So ,
