This is the revised version of the best-selling Christianity Explored book, written by UK Evangelist Rico Tice and Barry Cooper, is a jargon-free introduction to Christianity. Drawing from the book of Mark in the Bible the book explores who Jesus was, what his aims were, and what it means to follow him. Concise, entertaining and honest, it's an ideal book for anyone with little or no experience of Christianity. It can be used to encourage people to join a Christianity Explored course, to consolidate what has been learned by a guest, or simply as a way of reaching those who would rather not come to church.
