## **Spirited Practices: Spirituality and the Helping Professions (Practice in Society)**

A motivational read for anyone in the helping professions seeking to develop a spiritually aware practice, this guidebook shows professionals how to think critically while being open to religious and spiritual ideas. Especially in the time of distress, crisis, and illness, spirituality can be of monumental importance as a universal human observation, and with professionals and teachers from the varied fields of the helping professions testifying as to how they integrated spirituality into their work, this resource highlights the advantages of incorporating ecumenical approaches to work.
