The Printing Press (Inventions That Shaped the World) Ann Heinrichs

What do the airplane, currency, movies, and the telescope have in common? They are all inventions that shaped our world. Imagine what life would be like without them! Without the printing press, we couldn't read a book, a newspaper, or a magazine. From the ancient Sumerian art of printing to offset printing to e-books, trace the evolution of the age-old technology that allows us to share ideas through the printed word.
