In the Spirit of the Wolf Table: Poems by Michael Bibow-Finucane Michael Bibow-Finucane

'In the Spirit of the Wolf Table' is a collection of poems about darkness, love, and the abstract places that emotions and thoughts bring to us in life. Gothic, and at times humorous, these poems represent an expression of multilayered universes in which we live. Enclosed are thoughts on society, masculinity, war, dreams, and family. They are at times seductive and sensual, at other times abstract. They pay homage to the many moments of joy, fear, and frustration in life, and to heroes and heroines who have fallen before us.
