## Midrash & Medicine: Healing Body and Soul in the Jewish Interpretive Tradition

**Midrash provides a revolutionary guide through the most difficult passages of our life stories.**

This groundbreaking volume examines the spiritual shortfalls of our current healing environment and explores how midrash can help you see beyond the physical aspects of healing to tune in to your spiritual source.

Pushing the boundaries of Jewish knowledge, physicians, rabbis, social workers, psychologists and philosophers investigate the role of midrashic thinking in addressing seemingly intractable social and personal issues. Topics discussed include:

- How metaphors and parables can aid healing
- How Jewish tradition can inform and enrich health, hospice and nursing-home care
- New ways of reading Jewish texts in the discussion of medical ethics
- The role of community in addressing aging, loss and suffering.
