This book is a tell-all memoir of an amazing and inspiring 21-year-old young woman that loves Christ, lipstick, iced coffee, Mexican food, and taking walks in cemeteries. (Hint: I am that young woman). I will candidly tell you my horrific and amazing stories of being single in a world of Nicholas Sparks novels, online dating, and 18-year-old brides. I promise to be honest with you and I promise to tell you how it is. I will not sugarcoat things; so throw this book at the face of your frenemy if you don't like the raw and unedited truth. Prepare yourself, my blooming flower, for this may be an emotional and life changing adventure that we are about to embark on. Grab your hot beverage of choice, a nice blanket, some tissues; your vulnerable heart-and let's do this. We will discuss heartbreak, being single, the Target dollar section, lipstick, and God's love. I hope and pray that you will walk with me on this single journey!
