Will Kacie show Darren that what you order isn't always what you bargained for?

Darren Crowley has been vilified by the media! This billionaire playboy can never seem to have an interview without someone misinterpreting his statements and creating a media scandal. Now everyone thinks he's a racist and he's quickly becoming an embarrassment to the family name. But he comes up with a great idea—start dating a black woman and make the rumors go away.

Of course, as Darren always seems to do, he takes things too far after partying hard and ends up ordering a mail order bride from Africa. However, he gets more than he bargained for when he meets Kacie, an intelligent strong woman who challenges his views on life. Sparks fly when Darren realizes just how smart Kacie is, and that he really can get hot and excited for a strong black woman—in fact, it's a magnetic passion he's never felt before! The Billionaire's Mail Order Bride is a romantic interracial BWWM story that will leave you breathless.
