"The strength of our recovery is in direct proportion to our ability to laugh at ourselves." Laughter heals, particularly the laughter that comes when we understand the lifesaving difference between "how it was" before recovery and "how it is" living in sobriety. These hearty cartoons and humorous anecdotes reflect with powerful clarity how our drinking or drug-using days contrast with our lives today.

Laughter helps us celebrate our recovery and it reminds us how grateful we are for sobriety and for the priceless camaraderie of people in Twelve Step programs.
