How To Train Your Ender Dragon 2 – Blind Trust

Can Steve bond with this dragon?

The Minecraft world has officially accepted Steve – he trained his dragon and proved his worth. And not just any dragon – he trained an Ender Dragon to be able to carry him, which, as all the Minecrafters know, is a feat to be admired indeed!

But what Steve doesn't know is this... training is not ended completely! He and his Ender Dragon, Mavrose, are told that they have finished only the initial phase. Phase two of their training process is going to be a lot more difficult – because this time, the challenge is building their emotional bond!

Sappy as it sounds, Steve is in for quite the ride. Ender Dragons are proud creatures, fierce and powerful; as he discovers, they would rather roast you with their flame than ride with you. And if he doesn't complete this second phase, he will not be allowed to stay in Minecraft.

Will Steve and Mavrose overcome their personal hang-ups and manage to cement their bond as dragon and trainer? Or will Steve end up being thrown out of Minecraft after all?
